Construction Services

HMR's Construction Services were developed to provide effective, timely and cost-efficient construction solutions. Hutchinson, Moore & Rauch, LLC has an experienced, professional staff trained in Construction Surveillance and Administration that will be your "eyes and ears" on the project site. Construction Surveillance is an important phase of any project as it ensures the construction execution goes as planned and reflects the approved designs and specifications. We provide each client with the experience and capabilities necessary to keep their projects running smoothly. HMR is committed to construction cost savings and works skillfully to provide you with quality services that meet your project budget and scope.
