

**HUTCHINSON,
MOORE &
RAUCH, LLC**

Engineers ♦ Surveyors ♦ Land Planners

Municipal Services

Hutchinson, Moore & Rauch, LLC proudly serves as a general consultant for several local municipalities, including the Cities of Daphne, Fairhope, Spanish Fort, Orange Beach, Foley, Mobile, Satsuma, Semmes, the Towns of Magnolia Springs and Dauphin Island, Daphne Utilities, Gulf Shores Utilities, Mobile Area Water & Sewer. HMR remains committed to serving the long term public interest by representing the municipalities we serve with dedication to preserving the health, safety, and welfare of the community.

Not only do we provide clients with a strong and extensive technical background, but we also maintain a broad familiarity with the physical characteristics of each municipality and its facilities, as many of our staff live and raise their families in the communities we serve. We are knowledgeable in state and federal funding regulations and regulatory processes. Our municipal experience includes schools, public recreation facilities, police and fire service facilities, water and wastewater facilities, stormwater control and transportation facilities.
